Bespoke Luxury in Waterfront Resort Setting

Showcasing almost certainly one of the building's best renovations, this spacious apartment in waterfront 'Westpoint' offers stunning all-new interiors blending smart urban style with a hint of vintage Paris for a sophisticated European feel throughout. People talk about a "wow factor" and you will definitely find it here. From the engineered stone kitchen and luxe bathroom to the exquisite cabinetry and lighting, it's all been meticulously curated for an impressive finish. The apartment includes both a balcony and courtyard-size deck with bay and Harbour Bridge views, while same-floor secure parking and storage means everything is accessible on the one level.

Generous living/dining area opens onto corner balcony
Induction kitchen, marble bathroom, internal laundry
Approximately 36sqm of courtyard space (exclusive use)
Both bedrooms provide built-ins and courtyard access
Secure undercover car space, private lock-up storage
Secondary entry to the apartment from the courtyard
Waterside gardens with pool, BBQ area and boat ramp
