Set to the rear of its intelligent designed boutique development, this immediately inviting modern residence is one of only four. The seclusion complements the sophistication of spaces that include a living and dining area where timber floors contribute low-maintenance ease while the height of the elegant raked ceilings enhances the sense of space. An open-plan kitchen featuring the signature style of stone benches, stainless steel appliances and ample integrated soft-closing cabinetry performs its role with complete efficiency against a backdrop defined by eco decking, a substantial planter box/bench seat and an enviro conscious water tank. Three bedrooms and two bathrooms include two downstairs bedrooms sharing the pristine proportions of a bathroom fitted with a separate bath and shower. Above, the main bedroom, its walk-in robe and ensuite enjoy an upstairs zone of their own. A double garage ensures the complete convenience of an ideal address close to Loft Reserve, Newport Lakes Reserve and Mason Street.
