Style connoisseurs and beach lovers will adore this impeccably renovated 2-bedroom apartment, set in a delightful block minutes from the shores of Bondi. Artfully exposed brick combines with high ceilings and blonde timber floors to form the essence of this light-filled sanctuary. A spacious living area with scope for dining flows through to a stunning galley kitchen, remodelled with floor-to-ceiling dark wood cabinetry, gas appliances, and contrasting white stone benchtop. The master bedroom echoes the exposed brick of the living area and comes fitted with beautiful wood-panelled built-in robes, whilst the ensuite offers minimalist luxury, mosaic tiling and on-point modern accessories. The 2nd bedroom is bright, whilst the main bathroom continues the chic monochrome palette. Showcasing a distinctly modern take on the classic beach home, positioned in a coveted neighbourhood central to Bondi's famed cafes, shops and coastline, this apartment is not to be missed.
