How good does easy, low-maintenance living, close to the beach, in one of Australia's favourite coastal towns sound? Here we have an affordable avenue to a champagne lifestyle, with this neat, tidy and low-maintenance two-bed unit in a pristine location! The perfect positioning and easily rentable qualities make this unit a sound investment, so you'll want to quickly secure this one for yourself. Sitting behind landscaped and well-tended gardens, the secure front door lets you into the open-plan living and kitchen area. Warm timber floors stretch across the home, perfectly offsetting the crisp walls and ceilings. The kitchen is well equipped with a dishwasher, plus an electric oven and cooktop with a range hood. There's ample cabinetry too, plus a rear door providing external access. The two generous bedrooms each come with a built-in wardrobe. They have easy access to the sparkling central bathroom, which has been finished to a high level of aesthetic. It offers a toilet, shower and vanity. The main allure here though is in the location. A stone's throw from the Forster marina and the calm waters of the river, all the outdoor attractions of the area are nearby. Within moments you're at the beach, catching a fish, enjoying a walk in the park or playing a round of golf. What's more, all the amenities, restaurants, shops and cafes of the town centre are a short drive away, as is Stockland Forster Shopping Centre. If this is a real estate investment that ticks your boxes, get in touch with the JKL Team today. We'd love to help!
