Perfectly preserved period character and renovated modern functionality are sure to excite a range of low maintenance buyers in this delightful two bedroom apartment on the cusp of Prahran, Toorak and Armadale. Set back beyond an established garden entry, its peaceful, private accommodation delivers an immaculate move in ready environment with the outstanding convenience of trams at the doorstep and Hawksburn Village, Beatty Avenue cafes, Toorak Station and even Orrong Romanis Park all within a short stroll. Polished hardwood floors, high ceilings and charming multi pane windows adorn a light filled layout that fans out from a central foyer entry to include a beautifully generous living/dining domain with original open fireplace, impressively oversized main bedroom featuring excellent built in robes, second bedroom/study, fully renovated stone kitchen and polished modern bathroom. Further highlights include panel heating and ceiling fans in a nine only building with intercom entry and rear off street parking. A charming lock up and leave find indeed.
