If you are after a low maintenance terraced home with style, look no further, this modern masterpiece awaits. With it perfectly located on the edge of town centre. Once you step inside your home you will discover an interior with high style, a sleek kitchen featuring ample bench space and fitted out with the latest appliances including a dishwasher. The kitchen, dining room features modern and practical tiling that opens onto your private north facing courtyard with beautiful large trees and landscaped garden beds...a perfect spot to sit in Summer. Reverse cycle air conditioning in the main living area ensures comfort all year round. The timber staircase leads to the upper level which has two generous sized carpeted bedrooms with built in robes, window treatments and a spacious modern bathroom with separate toilet and linen press. This beautiful town house is framed by private landscaped gardens, complete with storeroom, car parking for 2 cars and a 220 gallon rainwater tank and offers an exclusive sanctuary.\*Please note tenant in place on periodic lease paying \$350.00 per week.
