Desirably close to Penders Park, transport options and renowned High Street, this updated two bedroom apartment embodies easy living with plenty of plusses. Offering ground floor convenience and front position in its block of 8, the home opens to reveal a big living room. Stainless steel appliances, including a dishwasher, meet with granite countertops in the modern kitchen/meals, while a huge main bedroom and second double bedroom host built-in robes. With a walk-in rainfall shower, stone-topped vanity and laundry facilities, the bathroom is complemented by a convenient separate toilet. Heating/air conditioning and an off street parking space add the right final touches. Easy to care for, keeping free time truly free, it's a bright base within a stroll of the movies, cafes, bars, trams, buses, trains, shops and parks.
