Welcome to Finnegan Terraces. Mindfully created with a strong architectural influence, the layouts for the 3 bedroom townhomes are spacious and provide great open plan interiors that are not only modern but also functional for families of all sizes. Coomera is flourishing and the future is exciting. With the upcoming major infrastructure upgrades including the \$2.16 billion Coomera Connector and Hope Island Train Station that will cut Brisbane travel times and provide easy travel within the Gold Coast, there has never been a better time to be part of this rejuvenated suburb. Conveniently located halfway between Brisbane city and the stunning beaches of the Gold Coast, this diverse area offers something for everyone, and fosters a warm and generous community that is truly special to be part of. A private and secure residential address with incredible connectivity to excellent schools, shops, entertainment, marinas, Gold Coast beaches and within easy commuting distance to Brisbane city.
