In a small complex on the Gozzard street of Gungahlin lies a medium complex perfect for a first property, either to live or invest. The 2 room space is quiet, private and with brand new carpet, ready to move into. The main bedroom boasting light from two windows, the second room big enough for a bedroom or maybe a working from home office. The kitchen works with the hallway but also the living space making the living and dining feel bigger. The balcony offers light from the outside but with a timber viner wall that is perfect for a furry friend or if you need to shade yourself in the afternoon. On the west side of the 'Mezzo' complex. You get all the perks of large apartment living without the people being a medium density dwelling. You have access to the Rooftop Pool, BBQ area, and shared library space, for residents only. In such a prime location, you are within walking distance to Gungahlin Marketplace which offers great food, retail, cafes and restaurants. Only a short walk away is the local favourite, Le Bon Melange Patisserie, I highly recommend the pumpkin and ricotta sausage rolls and the custard donuts [👉](#), but you will have time to try the whole menu living so close by. Please use Google maps to locate this property NOT Apple maps.
