Sold House

Friday, 29 September 2023

4-8 Browning Street, Kingsbury, Vic 3083

Bedrooms: 9

Bathrooms: 3

Type: House

\$3,000,000

Abutting a service station and only meters from Plenty Road and the tram stop is this amalgamated site which has a current town planning permit. Childcare, medical or a medium/high density residential development are all permissible under the current zoning (Subject to Council Approval) so for those who want to explore other opportunities the location and large parcel of land allow. Enquire today to be sent contracts, permit and drawings.
