Easy living is smart and stylish in this quality townhouse that offers a low-care and convenient lifestyle opportunity in a prime Leichhardt position. Nestled within a well-regarded complex with its own street entrance, its well-planned three-level layout provides a superb home with modern interior spaces, great natural light and a choice of private outdoor areas for entertaining. It's also quietly set in an accessible location that's walking distance to the light rail, Hawthorne Canal Reserve and MarketPlace shopping, and everything else this vibrant suburb has to offer. Tastefully updated and finished with good quality inclusions. Two decked courtyards offer maintenance-free outdoor living. Generous layout features an open concept living and dining area. Designer kitchen that overlooks the north-facing rear courtyard. Three bedrooms, one on the upper level with roof storeroom. Includes a lock up garage on title plus a private upstairs balcony. Full main bathroom plus a downstairs laundry with extra WC.
