This incredible 2 bedroom townhouse is arguably the best example of low maintenance living in 3216. With street frontage, off-street parking, a quality of build that is second to none and a location that dreams are made of, this home is a must see. Boasting all the features and luxury fit out of a premium build, yet perfectly configured for those seeking a low maintenance lifestyle, this spacious townhouse, full of natural light, offers the very best example of luxury lifestyle living. Boasting features such as premium cabinetry, tiling and fittings, stunning polished concrete floors and high quality carpets, the quality of the home is bound to take your breath away. To add to the appeal the home also has the added bonus of being within walking distance to beautiful Highton Village, reserves, playground and a plethora of central Highton amenities. Imagine strolling down for your weekend coffee and breakfast in the beautiful Village café precinct and doing your weekly shopping on the way home. The stunning contemporary kitchen boasts premium cabinetry and appliances and has views out onto the backyard which is a truly beautiful space. High fences create complete privacy and fully landscaped with artificial grass, paving with a dedicated space for alfresco dining. There is also a stunning established feature tree which provides a gorgeous backdrop, and beautifully filters the sunshine that pours in. A townhouse of this calibre in such an outstanding position is rare. Your new found lifestyle awaits! ☺
