Two-bedroom units don't get much better than this! After a hard day at the office, sit back and relax, take a dip in the spa, while speculating the magnificent scenery around you. The paved rear entertaining area and spa back onto the 16th hole with uninterrupted and panoramic views of the East MacDonnell Ranges. This little beauty is just as special on the inside as it is on the outside. A complete and thoughtful renovation has lifted the bar to another level. White, soft grey and taupe d&acute;cor compliment the recently restyled kitchen with new bench tops, double stainless-steel sink and re furbished cabinetry. Eye catching timber look, vinyl floor planks add a svelte look to the living areas. Fresh curtains and whitewash shading to an exposed brick feature wall looks very classy. Contrasting designer tiling in the bathroom compliment the deep bathtub, the new vanity and separate shower. Even the toilet is new. Both bedrooms have had a makeover with new window dressings, paint colours and fresh d&acute;cor. Sleek door handles add to the style while built in robes, ceiling fans and carpet are added features. This fully fenced, end unit has a unique paved rear yard as well as a front entertainer patio. There is a handy garden shed at the back and side gate access onto the golf course. This is a rare find in the popular, gated Desert Springs unit complex.
