An uncompromising design by high-profile architects Cera Stribley brings together luxury and lifestyle in a wonderfully convenient Kew location in this brand new two-bedroom townhouse surrounded by Yarra parklands, easy transport options and excellent schools. Positioned peacefully and privately toward the rear of neighbourhood newcomer, boutique SERENE, a sumptuous tri-level layout has been completed to an exacting standard with impressive attention to detail, a range of high-end designer finishes and a sensational rooftop terrace that captures sunset aspects over the nearby treetops. Constructed by craftsmanship focused D5 Build, elegant accommodation offers generous open plan living and dining areas with a feature media wall offering built-in and display storage, a beautifully crafted custom kitchen featuring stone benchtops, Bosch appliances, integrated fridge/freezer and floor-to-ceiling storage, and a wall of sliding glass stacker doors to an irresistible entertaining courtyard designed by Etched landscaped architects. Above, two bedrooms with custom built in robes/storage are served by a fully tiled bathroom with rain shower, custom marble vanity and excellent storage. Includes rooftop entertaining terrace with planter boxes, imported Italian kitchen, bathroom, and wardrobe cabinetry, engineered timber floors, fluted glazing and timber panelling, ducted reverse cycle heating/cooling, secure gated group with intercom entry, lift accessed secure basement parking, storage cage and residents' BBQ terrace. Enjoy absolute convenience with CBD buses at the doorstep, Willsmere Village cafes, shops and wine bars, Anniversary and Yarra River trails within a short stroll and Kew Junction shopping, Leo's Fine Foods, leading private schools, and the Eastern Freeway all nearby.
