\$650 per week

All the charm of a solid 1950s art deco build, refreshed throughout with modern conveniences, in a neighbourhood with lifestyle in mind. Enjoy the privacy of occupying 1 of only 5 double-storey townhouses at this address, or come together in the shared garden. A dedicated lockup garage is located at the rear of the property, with additional permit parking available. A sizeable main bedroom and queen-sized second bedroom are located on the first floor, both with timber floors and blackout curtains. Take advantage of the generously proportioned dine-in kitchen with gas cooktop, or support local with your choice of the French Bakery, Woodfired Pizzeria and Cafe of the Malvern Valley shops all at your doorstep. Make use of the facilities available at the newly opened Stonnington Sports Centre and Percy Trevaud Park, just across the road. Conveniently accessible via main arterial roads, railway stations, bus routes & bike paths, with Chadstone Shopping Centre just a short stroll away.
