A rare find so close to town! This light bright spacious unit has been meticulously and lovingly renovated from the ground up, with a designer kitchen and bathroom, you'll feel like a star. The kitchen has a 4-gas burner electric stainless-steel oven, Bosch Dishwasher, stone bench top and splash backs, with plenty of cupboard space. The adjacent laundry could double as extra pantry space or general storage. Other features are split system heating and air-conditioning, floating floor boards, built in robes to both bedrooms with lush carpets. The lounge, dining area and bedrooms feature sun shades and block out blinds feature throughout the unit. There is a large private back yard and front yard. There is a lock up garage for one vehicle and space for another. PLEASE NOTE: Gardens front and back are to be fully maintained by the renter. There is to be no vehicles parking on the grass at the front of the property, only 1 extra vehicle is permitted to be parked out front of the garage. PLEASE NOTE: Rent will increase to \$475.00 per week (\$2,064.00 per month) as of August 2024.
