\$800,000 - \$840,000

Discover the perfect blend of comfort and convenience in this immaculate, original family home. With three generous bedrooms, this property provides ample space and natural light, creating ideal havens for relaxation and rest. The large separate lounge room is spacious and inviting, making it perfect for family gatherings or unwinding after a long day. Step into the open kitchen and meals area that opens onto an enclosed Queensland room offers a versatile retreat for indoor-outdoor living, suitable for all seasons and enhancing the home's entertaining potential. Practicality is emphasized with a drive-through single garage, providing convenient access and plenty of room for parking and storage. All set on a generous 981.4 sqm manicured lot and the added addition for those with a penchant for DIY or needing extra storage, the detached garage/workshop area offers endless possibilities. Situated in a sought-after area, this home boasts a convenient location close to schools, shops, and public transport, keeping you well-connected to the essentials. Don't miss out on the opportunity to make it your own! Contact us today to schedule a viewing.
