THE PROPERTY Resting on a generous 782 sq m approx. block just a short walk to shopping, parkland, schools and trains, this original three-bedroom home is a renovator's dream with limitless potential. Inside, the floor plan comprises a spacious and light-filled living room upon entry, which flows through to the chic central kitchen where wraparound benches, breakfast bar and ample storage are certain to please. The adjoined dining space is generous in size and offers easy access to the tranquil covered deck, which leads out to the expansive backyard, where there is ample room for kids and pets to play. Three bedrooms (two with built-in robes) are positioned off the hall alongside the family bathroom, complete with bath, vanity, shower and toilet. Further inclusions of a dedicated laundry, double carport, double garage and shed, add further value to this exciting property.

THE FEATURES • Original brick veneer three-bedroom, one-bathroom home • Spacious and light-filled living room upon entry • Three generous bedrooms, two include built-in robes • Family bathroom features bath, shower, vanity & toilet • Covered rear deck and large backyard ideal for kids & pets • Double carport at end of driveway, plus double garage & shed • Offering immense potential for value-add renovations

THE LOCATION Enjoying close proximity to the many shops and eateries in Bayswater, just a short walk to the train station, Marie Wallace Park, Bayswater & Bayswater West primary schools, plus easy access to Westfield Knox, Eastlink, Eastland and Koomba Park.
