## Neat Lowset Brick in a Quiet Street

Tucked away in a quiet street in the family friendly suburb of Seaview Heights in Clinton, 4 Apollo Drive is an extremely neat, private, and low-maintenance brick home that ticks a lot of boxes for the discerning buyer. Having undergone a refresh in recent years, there is little to do but enjoy the fruits of the current owner's labours and call this lovely home your own.

Set on a fully fenced 809m<sup>2</sup> block that broadens to the rear, and with no rear neighbours, the home is quiet, private, and has enough space to relax. The kitchen and bathroom have been updated and the carpets have been refreshed throughout in recent years and still present as new.

Whether it be a home in which to live or an addition to the portfolio, 4 Apollo Drive stands as an exceptional option for either scenario. Book your inspection today to view it in person and see what this property could mean for you. Contact The Williams Team on 0467 044 974.
