Located on The Range, this three-bedroom, one-bathroom home is ready to be loved. Stunning polished timber floorboards are a gorgeous feature throughout the house. All the bedrooms and the open-plan living and dining area are air-conditioned, and the master bedroom has a ceiling fan for those hot Rockhampton nights. The master bedroom also boasts a walk-in robe, while the second bedroom has a sizable built-in. You will love this home's modern kitchen, which has been updated and has so much bench space. This beautiful kitchen flows to the open living and dining areas, which open onto a covered timber deck via stunning bifold doors. Downstairs is a spacious garage and a space that could easily function as a studio, workshop or man cave. The outside areas complete the picture, with a relaxing tropical feel, plenty of grass, a well-maintained garden and a paved undercover entertaining area. - 3 bedroom, 1 bathroom, 2 car updated home- Open-plan living and dining - Polished timber floors - Walk-in wardrobe off main bedroom- Upstairs laundry - Air conditioning throughout- 723 sqm, fully fenced block with electric fence- Beautiful timber deck off the living room with bifold doors - Quiet cul-de-sac location- Close to the hospitals, schools and shops
