This family friendly four bedroom home set high on the hill sparkles after a recent rejuvenation embracing coastal Hamptons style. With north facing lake views from the front porch and an abundance of natural light, you'll love it from outside, but step in and prepared to be wowed! Into the airconditioned lounge room, the perfect large family space, with polished timber floors and the bright white coastal contemporary colour scheme which flows throughout the home. A generous dining area flows onto large kitchen with a breakfast bar and stainless steel appliances. With plenty of space for your big side by side fridge, this custom design provides genuine family friendly storage capacity, including a second sink! Outside we have a Queensland room, a flexible all weather space suited for year round entertaining. From here you have a gym/workshop space - again with lots of options, you can never have too much space! The double carport also has an extra lockable storage shed to the rear, giving you more flexibility. Back inside, the bedrooms are well sized with large view filled windows and built in wardrobes to all. The bathroom is a relaxing sanctuary, in contemporary Hamptons style including a large bathtub. Of course, a separate powder room ensures no one disturbs your stress relieving soak time! Packed with features and truly move in ready this home presents great value in the current market. Why wait for the next one which won't compare? Enquire today.
