FOR SALE

Welcome to this exquisite 'Palm Springs' inspired architectural home perched high on a hill in the prestigious area of Spring Mountain. This contemporary residence incorporates harmonious living across three cascading levels and offers unparalleled panoramic views overlooking the vibrant skyline of Springfield City and beyond. Boasting sleek lines and cutting-edge design, this brand-new custom home features a thoughtful floorplan with priority given to spacious, light-filled open living perfect for families and entertainers alike. Step outside into your own private oasis. The sparkling feature pool is the centrepiece, surrounded by beautifully landscaped gardens and an alfresco that provides ample space for lounging and dining. Situated directly opposite a picturesque park with the White Rock nature reserve just beyond, this property enjoys the tranquillity of open green spaces while being just moments away from urban conveniences. Skyline
