Located in one of the most prestigious positions in the beautiful, beachside suburb of Korora, is this five bedroom home. Set in a quiet cul-de-sac position in arguably one of the best streets in the area, this home is only an approx. 2 minute walk to the ever popular Hills Beach; the perfect place to walk the dog or capture the beautiful sunrise. This private and well established suburb is also only an approx. 10 minute drive to the Coffs Harbour CBD. The unique floorplan offers multiple living options with two functional kitchens, two bathrooms and five sizable bedrooms. With two separate front entry points, the second 'granny flat' type area can easily be utilised as guest accommodation, teenagers retreat or something for the extended family; still offering both parties privacy. The primary area of the property boasts two bedrooms both with built in robes, fully equipped kitchen with dishwasher, functional bathroom and two large living / family areas. The secondary area of the property offers it's very own entry point with kitchenette, open planned living area, three sizable bedrooms and well-appointed bathroom. The large internal laundry offers storage and convenience with access to both the deck and backyard. Entertain family and friends on the near new, back deck overlooking the dam and landscaped gardens. Parking consists of a single carport. This perfectly positioned, five bedroom home is sure to be popular; enquire now! Although the yard is not fully fenced, pets are considered upon application.
