Enjoying a premier central location, this bright and beautiful three-bedroom home with the benefit of land offers a smart alternative to unit living in the heart of Mill Park. Ideal for the young couple with an eye on the future and empty nesters still requiring space for the grandkids, the home's immaculately presented single-level interior invites a host of buyers to begin a new chapter on a low-maintenance 275sqm (approx.) block with a private driveway accessing a single lock-up garage with an additional single carport in front. Modern timber floorboards flow stylishly throughout the light-filled living and family-sized kitchen, while soft carpeted floors add contemporary luxury and comfort to all three robed bedrooms (ensuite to main). A generous fenced front yard is a welcomed bonus; window roller shutters, bright main bathroom, additional shower in the separate laundry, ducted heating, split-system cooling and a paved outdoor entertaining area are further highlights. Its quiet court setting presents the perfect environment for raising a young family, while outstanding access to schools, The Stables Shopping Centre, Rivergum Village, Westfield Plenty Valley, DFO Uni Hill, Epping Plaza Shopping Centre, bus services, South Morang train station, Plenty Road trams, RMIT and La Trobe universities, sports facilities, the breath-taking Plenty Gorge parklands and the Metropolitan Ring Road guarantees instant lifestyle satisfaction!
