Coveting a premier park-side setting, this outstanding home achieves design perfection with a contemporary approach to casual coastal elegance. The recent total renovation of this luxury family home is forward-thinking with its succession of internal spaces and designer gardens, and the integration of wireless tech. There's a masterful awareness of colour tone and surface textures throughout, the new marble kitchen is upgraded to chef's standards, new custom wardrobes provide extensive storage, and bathrooms are enhanced with high-end artistry. Increasing its appeal for family living, the outdoor setting includes a deck, barbecue area and heated mineral pool, while all five bedrooms have also been refreshed. As quality is timeless, this home promises endless satisfaction in an enviable location close to village shops, Queens Park and Centennial Park. Walk to acclaimed schools – St Catherines, Moriah and Waverly College – while beaches and the city are just minutes away by car. -? Interiors defined by high ceilings & grey iron bark floors -?
