WITH THE BUILD WELL UNDERWAY - walk through inspections available. Situated in the latest Stage of Wollaston Way on Cousins Road, this Dennis Family Home has had detailed finishings and fittings selected. The property features three bedrooms in total, a master bedroom with ensuite and walk-in robe with the two guest bedrooms including built in robes all serviced by a family bathroom and separate toilet. With a delightful open plan - kitchen, living and dining with ample natural light that flows through to the yard - this would make a great space for an alfresco (STCA). The kitchen includes caesar stone benches, stainless steel appliances and walk-in-pantry. With stunning use of the neutral colour palette throughout, this property will feel spacious and homely. A cleverly positioned second lounge provides flexibility for his or her leisure or a potential play room. - Central Heating included- Concreted driveway included Please note photos are a representation of the property. For further information enquire today.
