'Casa Monte' In timeless fashion, this superb five bedroom plus study, three bathroom weatherboard Californian Bungalow is transformed to create a beautiful environment for family memories and entertaining. Set behind a gorgeous rose garden, 'Casa Monte' reveals a leadlight entry through to the captivating entry hall, a sensational open plan living and dining area with custom entertainment joinery, a spacious separate second living area and an imposing kitchen with Smeg 900 mm stove and butler's pantry. You'll admire the thoughtfulness of a much sought after downstairs main bedroom with walk in robe and radiant ensuite, while there is a versatile study/bedroom, another double bedroom with robes, a sparkling bathroom and a full sized laundry with fold down ironing board completing the ground floor. Upstairs is extensive and perfect as a kids' zone with an open study on the landing, two well-proportioned bright bedrooms and a smart bathroom. Two sets of sliding stacker doors let the entertaining spill out to a choice of open or spectacularly high span covered decks in the low maintenance rear garden with its mod grass lawn and landscaped borders. Irresistible with its high decorative ceilings, plate ledges, leadlights and bay window, this charming home has been updated with European Oak floors, plantation shutters, ducted heating, reverse cycle air conditioning, prolific storage, an auto garage and a carport. In this prized part of town, just around the corner from McKinnon Secondary College and the McKinnon Hotel, walk to McKinnon Village cafes, the train station, the sporting reserve, the primary school and lovely Joyce Park, or jump on the bus across to Chadstone Shopping Centre.
