Celebrate life and entertain throughout the year with this spacious, bowl of court home that affords plenty of space for the family to flourish accompanied by dual living zones and exceptional alfresco entertaining. Resting in the admired Oaklands Estate, the home's single level layout commences with a northerly oriented formal lounge room that flows over modern floorboards and links with an adjacent dining zone. At the heart of the home, the kitchen boasts a Westinghouse oven, updated Omega gas stove and updated dishwasher, along with plenty of storage space and a breakfast bench that connects through to the meals/family room. Outside, entertaining comes to life with a massive alfresco zone where large-scale gatherings can easily be accommodated accompanied by a barbeque, hot/cold sink for meal preparation plus a good-sized backyard. Formed with the family in mind, the three robed bedrooms include a master bedroom with walk-in-robe and ensuite, supplemented by a renovated family bathroom boasting a deep tub, rainfall effect shower, floor-to-ceiling tiles plus a heated towel rail and separate toilet. Further complemented by a full-sized laundry, solar panels, ducted heating, evaporative cooling, garden shed, sensor lights at the front of home, updated blinds plus a double garage with rear roller door.
