A great solid home featuring a double brick outer skin rarely seen in a build of this era. The floor plan is generous with a large formal lounge room & a gallery kitchen with separate dining. The master bedroom is double in size, tidy & functional kitchen & bathroom plus separate toilet. The home has a double carport with iron gates for extra security, a front covered entertaining area & drive through access to a huge backyard ready for a shed, pool or gardens. Located just a 3 minute walk to South City Shopping Centre. Invest or make it your own home, this one has the lot & an attractive price point.
