Located in the charming township of Mount Hunter on a large corner block of 976.1m² is this hidden gem. Having potential, land size and location makes this property a solid investment for the astute buyer as it is only a short drive to each Camden and Narellan yet surrounded by acreage properties in a delightful semi-rural setting. The ranch style house features four bedrooms, front lounge with slow combustion fireplace, kitchen overlooking rear sunroom and pool in the expansive rear yard. While the property lends itself to a makeover it would make an ideal purchase with a view to the future because large blocks like this one are an exceptional find. Phone (46) 28 8800 today to inspect.
