Sitting on a spacious 809m² block at the end of a quiet cul-de-sac this lovely, character filled home offers so much more than meets the eye. Like the Tardis, this property is so much bigger inside than it looks from the outside!! Things you are going to LOVE: • Beautiful polished timber floors in the living areas and bedrooms • Two separate living areas • High ceilings • Cosy wood heater • Spacious, well appointed kitchen • 3 good sized bedrooms - all with ceiling fans • Large bathroom with a full size bath • Study nook • Superb deck for entertaining • Fenced yard with side access The level back yard already had a small shed and carport but if you are dreaming of a huge shed then there is plenty of space to build something to store all your toys. With a great location and great bones, this property is perfect for buyers wanting a solid, well laid out home to put their personal touches on. Properties in this price bracket are few and far between so we recommend booking an inspection as quickly as possible to avoid missing out.
