New to Market

All the hard work has been done in this beautifully renovated home with a stylish kitchen, spacious lounge room, quality finishes, and a fantastic master suite, all positioned in a quiet cul-de-sac with elevated views across the treetops to the north. Generously sized, the living area offers a light-filled and inviting space to gather while the new flooring creates a coastal feel. Bright and airy, the contemporary kitchen has everything you need to prepare delicious meals with modern appliances, subway tile splashback, dishwasher, plenty of bench space and a peninsula with room for seating. When entertaining family and friends, you can utilise the private fully fenced backyard and enjoy a barbeque lunch on the covered patio. Established gardens provide a lovely outlook and enhance privacy while the raised garden beds allow you to grow your own vegetables and herbs. All three bedrooms have ceiling fans and built-in robes while the master bedroom has twin robes and a gorgeous private ensuite. Both bathrooms have been updated in an elegant style with floor-to-ceiling tiles, matte black tapware, a shower niche, and frameless shower screen. You will feel as though you are getting ready in your very own day spa every morning! Located in a sought-after neighbourhood, the home is a short distance from transport and the Grove Road Reserve while Edens Landing State School is a 12-minute walk away making this property ideal for families who are looking for a relaxed lifestyle.
