\$800,000

Looking for a large modern family home with a pool and shed... look no further. This amazing home is the complete package for those looking for a relaxed, functional, open-plan and low-maintenance lifestyle close to town. The kitchen is the centre of the home which is light, airy, and a place for entertainment with the large stone island bench-top and walk-in pantry. From the kitchen, for easy entertaining, are two patio areas overlooking the newly installed Barrier Reef saltwater pool with heated spa, wrapped around with a beautiful merbau deck. Property features include:- Spacious main bedroom includes a generous walk-in wardrobe with plenty of storage.- Large Ensuite with dual-headed shower. - 3 secondary bedrooms with built-in floor-to-ceiling wardrobes perfect for multi-purpose use.- Multiple in-built large storage cupboards throughout.- Large kitchen with stone island bench-top- Side access to the backyard-12x9 enclosed powered shed with lean-to and automatic dual roller doors- Shed has solar panels attached to a 5 kilowatt system-64,000ltr rainwater tank capacity, which is plumbed to the house (scheme water is also connected).- Barrier Reef saltwater pool with heated spa with a beautiful merbau deck. This house is freshly updated both inside and out, with a beautiful new pool ready for the Geraldton summer. Don't be disappointed, call Stacie today for inspection.
