Families are flocking to this beautiful parkside pocket of Scoresby as it becomes a hot spot of new builds following in the footsteps of its sister suburb Wantirna. This classic 4bed 2bath single level family home on 792sqms (approx.) welcomes you to the neighbourhood with space inside and out. A back gate to the reserve widens your patch even further with lovely greenery and playgrounds for daily walks. The home's updates present a timeless look with polished hardwood floors and marble inspired tilework gracing the kitchen and bathrooms, as well as the comfort of ducted heating and split system cooling. A galley kitchen serves as a central cooking hub to overlook both living spaces and the al fresco area, with a gas cooktop and powerful Fotile rangehood suited to wok cooking. Parents will relish the privacy of the master bedroom in its own wing, light and bright with north facing light and lovely street frontage. Frameless showers bring a clean look to the 2 bathrooms, with a full bath in the family bathroom for children. But the real highlight here is a beautiful established garden with fruit trees growing figs, passionfruit, and plums, as well as a back gate directly to Scoresby Linear Reserve, perfectly highlighting the parkland freedoms at the top of the court, also in easy reach of village shops, Costco, Waverley Christian College, Bunnings and the Eastlink and Monash Freeway connections.
