This brick home has more than you expect, its large separate lounge is air conditioned and a great family area, the kitchen with a separate dining space is hard to find in properties today. Off the dining area is a sunroom/ extra family area or home gym space. Its bathroom with separate toilet and extra vanity is ideal when everyone wants to get ready at the same time. Having three bedrooms that are all tiled it makes for a very easy-care property. The two-bay shed has a workshop or great storage space and still room for the boat or van under the carport. If you're a keen gardener, then this property will not disappoint it has fruit trees and room for a pool. There are also a few entertainment areas for those family BBQs. Great price, Great size. Arrange your inspection today. Property Code: 1600
