Opposite reserve in an exclusive Greenvale cul-de-sac, this single-level showpiece provides an idyllic family environment with its dream design and unrivalled quality from beginning to end. Beyond the stunning Hamptons facade, discover a sumptuous interior boasting 4 generous bedrooms (large master) all with fitted robes complemented by 2 luxurious ensuites and equally-opulent main bathroom. Further emphasizing its fine family credentials is the spacious open-plan living/dining area with gas-log fireplace adjoined by a chef's kitchen with integrated dishwasher and centrepiece 1200mm Smeg oven, plus an adjoining second kitchen with its own oven and dishwasher. Split-system heating/cooling, 3m ceilings, plantation shutters, ducted vacuum, premium fittings and Marie Therese chandeliers all add to the allure, along with solar power (13kW), 2-pac cabinetry, comprehensive security system, large laundry and excellent storage options, as well as stone benchtops throughout and double-glazed windows all-round. Completing the picture is an enclosed alfresco entertaining room/2nd living area leading out to the private low-maintenance backyard with established perimeter gardens, plus an epoxy-floored remote-control double garage with internal entry. Close to Greenvale Shopping Centre, Greenvale Medical Centre, popular schools and kinder/childcare facilities, it also offers easy access to Greenvale Recreation Reserve, Woodlands Historic Park, Melbourne Airport and the CBD.
