Here's one for the hipsters out there! This 3 bedroom, 1 bathroom, red brick veneer home has barely been touched since being built in 1979. For happy house hunters, that means it comes with potential - either to modernize, extend or renovate. Entrance hall, formal lounge, separate dining and small kitchen. Separate bathroom has bath, vanity unit and shower. The wc is separate. Fully fenced block, with garage and storage room. Schools, shopping centres, medical services, eateries all within 5 minutes, or travel the highway to Northgate Shopping Centre some 15 minutes away. Situated in a quiet cul-de-sac, AND the first thing you notice are the amazing views - AND the views are to die for from the rear of the property overlooking the Derwent River and Kunanyi (Mount Wellington). If you think this could be what you are looking to add to your portfolio, please contact the Team of Danny & Debbie to arrange your private viewing.
