If you're after a large family home, in a great private location, in the most sought after small thriving town this could be the one! As you enter the internal drive you are greeted by a large double story 5-bedroom home with a wrap-around balcony and entertainment area that overlooks the first green at the Penguin Golf Course! It really is one of the most amazing, picturesque settings about. The property has a real country feel about it, but only minutes away from the Penguin sports precinct, R.S.L and bowls club. Let's start downstairs where there is ample paved parking for the largest caravan, boat, trucks, and cars. As you walk through the garage into the home there is a very spacious 1- bedroom unit/granny flat/teenagers retreat with ensuite and a large living area with heat pump. Moving upstairs there are 3 very large kids bedrooms all with built ins and a central bathroom with bath and separate shower. The very large master bedroom has built in robes, ensuite and spa bath. Waking up to the morning sun and walking out to the deck from your bedroom and breathing in the fresh air must be an awesome experience. The blackwood kitchen has its modern touches. The dining room has plenty of room for the large family and the huge lounge room with a sensational wood heater tops this home off. There is plenty more:- Heat Transfer system- Gas cooktop- Heat pump hot water system- Fully fenced secure backyard- Multiple entertainment areas- Plenty of storage- 8kw solar panels A must see for the large growing family, and if you're a sport loving family it's a bonus!"Roberts Real Estate have obtained all information in this document from sources considered to be reliable; however, we cannot guarantee its accuracy.
