If you're searching for a box of chocolates or a shrimp boat named 'JENNY', you won't find it here! If you run fast enough you WILL find a solid original 3 bedroom brick and tile home resting on a level, fully fenced 680sqm block, boasting side access for the boat or van. Features of this home are a light filled living area with sliding doors leading out to a covered alcove. The dining area has sliding doors that take you out to a huge covered entertainment area. The open plan kitchen has an upright stove and dishwasher. The bathroom is 3 way, great for the larger family. The main bedroom has an ensuite with double built in robes. The remaining two bedrooms also have double built in robes. Added features are a double garage with remote, internal and external access, R/C A/C, garden shed and a security system. With a lick of paint and new floor coverings is all this one needs to bring it back to its former glory. Only a short walk to the Worrigea Shopping Centre and an easy drive to the seaside village of Greenwell Point, famously known for its world class seafood. So I would advise you to run as fast as you can and inspect this one today!
