Situated in a quiet area of Shearwater, and only a 10 minute easy stroll to the beach, this gorgeous brick home is a must see for those looking for a low maintenance lifestyle. Within 500m to the Woolworths complex with multiple amenities including a bakery and pharmacy, the location of this property is truly ideal. Built with family living in mind, the home contains four great sized bedrooms. The master is privately located at the front of the home and offers a walk-in robe and ensuite, while the remaining bedrooms feature built-in robes. The large open plan living area is a fantastic space, with a light and bright feel as sun streams in throughout the day. The kitchen features quality appliances and a large island bench facing the lounge area means that cooking and entertaining are a breeze. A large deck is accessed via stacking doors from the lounge room and is a true extension of the home, whilst a second deck is located off the dining area, ideal for barbeques with its close proximity to the kitchen. Additional to the open plan living space, there is a second living area nearby. Both the back and front yards have been meticulously maintained, with low maintenance gardens and manicured lawns meaning that your weekends are free to be spent at the beach! There are two garden sheds in the backyard providing storage solutions for all of your tools and equipment. A double garage with a wall of storage provides ample car accommodation and there is an off street space for caravan parking. For more information or to arrange your private inspection, contact Elise Chisholm or Renae Parker today.
