"Fun fact: when Ed Sheeran sang about his perfect Galway girl, he was actually referring to 4 Galway Rise in Pakenham." Don't believe me? Go ask him. Now that I'm thinking out loud, I agree with Ed. This home is just perfect. Your very own castle on the hill is so close to everything. Walking distance to Beaconhills (primary and secondary school) and public transport. You are also moments drive from shops, parkland and the Princes Highway. It's also one of the few areas in Pakenham where you can enjoy stunning views. Relaxing in the outdoor area or from the comfort of your own living area you can look out and watch the afterglow of a setting sun. Let's dive right in to the property itself:- Four bedrooms, master with en-suite and walk-in robe;- Separate living zone, perfect for a kids games room;- Open plan living/dining room;- Expansive kitchen with ample bench space;- Double car garage;- Heating and cooling. Outside is just as incredible:- Landscaped yard both front and back;- Levelled backyard;- Block size over 600sqm! Don't just rely on the photograph, make sure you inspect this one.
