Perched high up from the street on an elevated block; this substantial family home has a unique design that will inspire and delight those looking for a property that is just a little different. With a split level design that has the living areas upstairs and the bedrooms down, this floorplan would work well for the large family who needs plenty of space. On the ground level is parking for 2 with a lovely foyer to greet your guests or kick off your shoes. Timber stairs show the way to the elevated wing that houses 4 of the 5 bedrooms, and up again to the living areas of the home. The master suite is separate from the rest for additional privacy, though, thanks to plenty of louvered windows, you can see into the opposing wing to keep an ear on the kids if you need. Complimented with an ensuite and a built in robe, this master is a calm parents retreat. All 4 bedrooms in the elevated wing include mirrored built in robes plus A/C. These bedrooms also have banks of louvered windows that frame the backyard views and let in the cross breezes. Up the internal stair case to the living areas you will find a central kitchen with a dining room, a family room with the timber flooring underfoot and a treetop balcony that overlooks the streetscape below. The kitchen is spacious enough for a large family to cook and food prep together. Frosted overhead cupboards add in much needed storage plus there is a pantry, fridge nook and dishwasher. As the house wraps around on itself, nestled in between the two bedroom wings is a small courtyard style sitting area - ideal as a play area for the kids or maybe an outdoor entertaining area if you like. At the rear of the home are open lawns, established tropical gardens and plenty of space for the kids and pets to play. Ideal for the home buyer with kids or extended family, the location is superbly close to parklands and Palmerston CBD as well. Around the Suburb:

- Easy access to Palmerston Golf Course
- Multiple schools and daycare options nearby
- Walk to Palmerston CBD with Friday night dry season markets, Target, Coles and variety shops galore
- Oasis Shopping Centre also available with Asian grocers and specialty bakery,
- Gateway Shopping Centre within 5 minutes drive with all its added facilities
