Lush tropical gardens, bright living space and a quiet court give you every reason to relax in this parkside district close to Knox Gardens Primary and Waverley Christian College. Uniquely landscaped with resort style palms and a beautiful bridge over a pond in the private back garden, the refreshed home presents as a sanctuary away from the busy world. On trend geometric tiling and an open shower give the two bathrooms some wow factor, with lovely light filtering across the central living space, dining room and big galley kitchen. You can cook with a view across the lovely tropical gardens, the kitchen smartly equipped with a gas cooktop, Fatile s/s oven, and a glass touch panel Sacon rangehood designed for powerful suction. Tiling offers an easy clean setting in the meals area, spacious enough room to serve as a second living space - and north facing to take in natural light. Securely fenced and gated with plenty of driveway room, a carport, large shed, freestanding garage and raised vegetable planters. Relaxed living doesn't get any better, in easy reach of Eastlink, Westfield Knox, and exceptional schools and sporting facilities including WCC, St Andrew's Christian College, Knox Gardens Tennis Club and the State Basketball Centre.
