Ideally positioned in Hazel Street, a highly sought-after location due to the proximity to the beautiful coastline of Goolwa Beach, a great beach for surfing and swimming or perhaps drive your car along and go fishing or cockling. This brick veneer residence is the perfect place to call home or the idyllic seaside escape. The home offers 3 bedrooms, 1 bathroom and 2 living areas. Comprising L shape lounge, dining room with the kitchen in the middle of home that overlooks the 2nd living space, complete with combustion fire. The main bedroom is at the front of the home and has walk in robe and access to the 2-way main bathroom. Back pergola area is ideal for the weekend barbecues with family and friends. There is plenty of room for a new shed as the concrete slab is still down from the previous shed. Land size approximately 660m<sup>2</sup>. Do not miss this wonderful opportunity to be a part of our gorgeous town, where the river meets the sea. Please text me or email to make time to inspect the property.
