\$2,500,000 - \$2,580,000

A new benchmark for luxurious family living, this dazzling four bedroom plus study/office, two bathroom double-storey custom built home incorporates a seamless transition between indoor/outdoor entertaining, whilst offering an array of quality finishes throughout. Immediately introduced by a gated and manicured front garden, the property's interior is blessed with stylish hardwood floors, solid stone wet areas and multiple living areas designed to cater for the whole family. Take your pick and relax in either the large front theatre room, the upstairs retreat or the versatile rumpus room that can also be transformed into a child's playroom. The owners have spared no expense in achieving a luxury finish which is echoed throughout the designer kitchen well appointed in stainless-steel Blanco cooking appliances, Bosch dishwasher, ample soft-close cabinetry, waterfall island, premium fittings, deep butler's pantry to full-size laundry, plus a second walk-in-pantry. The spacious and light-filled meals/family zone progresses to a grand outdoor undercover entertainer's area with plumbed in BBQ and sink combo. There is also an immaculate grassy backyard perfectly levelled with the rest of the block, hard wired garden lights and features an XL utility shed. Back inside, the office/study offers working from home ease with the help of its double integrated workstation. Add to this, sizeable, robed bedrooms, master with dual-basin ensuite comprising corner spa and double shower, fully-tiled central bathroom/separate WC and powder room (third toilet). Further includes ducted heating, refrigerated cooling, additional split systems in master and family rooms, loads of storage, dual zone Bosch, alarm system, intercom, CCTV, inground water tanks, solar hot water and remote-controlled two-way double garage with driveway off-street-parking. Ideally zoned to Strathmore High, it's moments to popular schools, Napier Park, local eateries and quick access to CBD/airport-bound freeways. Features: 2 x 5000L Underground Water Tanks (Rainbird) Full Automated Watering Systems (tanks also supplies toilets with recycled water) 8 x Dahua CCTV Camera System Electronic Window Shutters Crimsafe Doors Solar Panels Installed Outdoor Hard Wired Heating (Remote Control) (BRAND) Fittings throughout Kitchen and Bathrooms Electric Driveway Gate + Pedestrian Access Gate with intercom & keypad.
