\$500 per week

Freshly painted throughout, this immaculately presented home has so much to offer! Offering spacious light filled lounge room with polished boards and gas heater. There is a neat, functional kitchen with ample bench and cupboard space with electric stove. Bathroom with shower over bath and separate toilet. Both bedrooms with built in robes and polished boards for easy cleaning. The yard is flat which makes for easy maintenance; with an abundance of room for the kids to play, a double carport plus garage. Situated in a central location within walking distance to schools and the shopping precinct of Healesville, makes this property wonderful! **Please note property may be sub-divided throughout tenancy, and therefore the garage would be removed and carport re-located**
