\$960,000 - \$1,050,000

Set within a quiet residential setting, this four-bedroom family home is distinguished by its luscious garden best enjoyed from the comfort of its undercover alfresco dining or the open fire pit for the true camper. This quiet setting is ideal for the avid entertainer which allows all to congregate, as the little one's swing, kick ball, or hide and seek. Free-flowing and relaxed interiors provide the perfect counterpoint to its peaceful & private locale. Separate from the main living areas are three bedrooms with a fourth privately nestled in the tranquil setting at the rear. In the heart of the home is a widely appointed kitchen complete with ample storage space including butler's pantry, and the benefit of an adjacent laundry/scullery. Front driveway is maintenance free with ample space for the sporting enthusiast and multiple cars spaces. Plus, SLUG. Quiet winding streets and the scenic paths of Kingston Heath Reserve form the background of this inviting family home. Within walking distance of local schools, live within a minutes' drive of Southland SC, DFO, Cheltenham station village, Mentone station, and the Bayside's elite private school belt.
