In a secluded cul-de-sac with easy access to the best of Craigieburn, this contemporary home delivers a lifestyle of family perfection thanks to its vast and versatile design, quality features and terrific living/entertaining spaces both inside and out. Filled with natural light, the home's free-flowing interior showcases 4 large bedrooms (downstairs master with WIR and ensuite), as well as a stylish main bathroom with spa bath and 2 separate powder rooms - one on each level. A dedicated study with integrated workstation adds to the appeal along with a spacious rumpus (upstairs) and expansive open living/dining area adjoined by a well-appointed kitchen complete with large walk-in pantry, 900mm cooking appliances, dishwasher and coffee station. Along with ducted heating, evaporative cooling, attractive feature doors and high ceilings throughout, this remarkable home also includes new carpets, family-sized laundry and excellent storage options. Bi-folds effortlessly connect the living area to alfresco entertaining deck with full-width cafe blind and north-facing backyard including built-in BBQ and landscaped garden surrounds, plus an undercover front balcony and remote-control double garage with internal entry to the house. Hyde Park Reserve around the corner along with Grand Boulevard buses, it's also close to Malcolm Creek Linear Park, Highlands Shopping Centre, a range of schools and childcare centres, as well as easy access to the Hume Freeway.
