Located in sought after location near parkland & walking tracks, built in 2016, is this well-presented, low maintenance home with huge side access for cars, boats, caravans & trailers. Featuring spacious open-plan living area incorporating the kitchen and living hub. The spacious kitchen, overlooking the dining area, features a large walk-in pantry with loads of storage and appliance space. There's zoned & ducted reverse cycle aircon throughout, and all three bedrooms have built in robes, the master bedroom with large WIR and ensuite. Complete with a large entertaining area, huge 6m x 12m shed/workshop which is insulated, vented, with overhead storage & dividing wall creating a fantastic 6m x 6m games room & 6m x 6m shed/workshop, plus a garden shed & trailer storage area, & auto sprinklers.
