One of the original homes in Lakeridge Estate, Kew. Positioned in 1.45ha, (3.583 acres). Easily accessed, single level and blessed with plenty of accommodation. Walk to Camden Haven High, just up the road from Lakewood Shopping Complex. Formal lounge and dining which opens to a huge, central, ballroom sized, open plan living area featuring kitchen, casual dining, family area and combustion heater. Additional to that, a large media/rumpus room, air conditioned and its own sliding door access to an expansive, covered outdoor living area. Four generous bedrooms, all built-in, roomy ensuite to master, ceiling fans and one bedroom has its own split system air conditioner. The land is virtually level, the front half fastidiously presented with attractive lawns and gardens. Fenced chicken run and garden shedding. Small dam in one corner. The fenced off rear of the property can also be separately accessed via a secondary road and could easily accommodate an equine family member.
